PERSONAL AND CONFIDENTIAL SUBJECT: GEORGE SHEDLOSKY

Dear Jim:

I really appreciate the letter of suspension and the request for reinstatement which we received from you. These came to us about a year and a half ago.

Since that time, I have written to the council on several occasions and have heard nothing more regarding the above named individual.

We would like to know whether the charges against Mr. Shedlosky have been substantiated and whether he should still be suspended from registration with the Boy Scouts of America. If this is true, then we need a record sheet which should be completed, so that we can identify Mr. Shedlosky.

I would also like to have any other material which would elaborate on the original charges. This is most important if we are to maintain a file and be able to refuse registration in today's world.

Thanks for your help in securing this information.

Sincerely,

Paul Ernst, Director

Dear Jim:

I have written to the Scout Executive of the Penn's Woods Council on four different occasions without any response, concerning the above named individual. I had originally received from you a copy of the letter which was sent to Mr. Shedlosky suspending his registration with the organization.

I would like more information concerning this matter and any detail which would help to substantiate our refusal of registration anywhere in the country. Newspaper clippings, court records, or statements from individuals would help to substantiate this.

We would also like to have a Confidential Record Sheet completed, so we can identify Mr. Shedlosky. I am enclosing a form which I would like to have used for this purpose.

Thanks for your help in completing this file.

SUBJECT: GEORGE SHEDLOSKEY

Dear George:

I have written to you several times after receiving a copy of a letter which was sent to Mr. Shedloskey suspending his registration. I still have not received a response from you so, that we may complete our file.

I am enclosing another Confidential Record Sheet, which I would like to have completed, so that we may identify Mr. Shedloskey. Please also send us a copy of a paper with his signature, if you have this available.

We would like more documentation on this situation. Was Mr. Shedloskey arrested for the sexual molestation charges? Has there been a trial, if so has it been completed? Was he convicted or acquitted? What was the sentencing which was imposed? All of these questions must be answered, if we are to have a strong file and be able to refuse registration anywhere in the future.

Thanks for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director

Please give me documentation which would substantiate our refusal of registration. Let me know if we may be of help to you.

Dear Mr. Shedlosky:

Yesterday, you visited the Scout Service Center and discussed with George Test, our Scout Executive, your application for membership with the Boy Scouts of America. George advised you that after careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. Another copy of the procedures for review is attached.

Sincerely yours,

Douglas Stewart
President
